LARRY MCCURDY  
PRESIDENT  
UNIQUE MINERALS INC.  
18458 W CARTER CIRCLE  
CEDAR VALLEY UT 84103

Dear Mr. McCurdy:

Thank you for coming in on October 27, 2003 to request another extension for Unique Minerals Inc. to submit a financial guarantee for reclamation for Dick Stone's limestone quarry located in Section 24, T. 17 S., R. 13 W. You stated that the financial agreements had been finalized and signed and that you were awaiting the transfer of funds which would occur within 30 days.

On January 23, 2003, we received a Transfer of Notice of Intention to transfer this operation from Dick Stone to Unique Minerals, Inc. In accordance with 3809.116, Mr. Stone remains liable for the reclamation of the site until we receive an adequate financial guarantee. Therefore, if we do not receive the financial guarantee by November 26, 2003, we will be forced to pursue Mr. Stone for the financial guarantee. If he should fail to provide it, we will then pursue all the parties who were claimants at the time the reclamation liability accrued.

If you have any questions, please feel free to contact Sheri Wysong at .435-743-3124.

Sincerely,

*Rex Rowley*
